# The Impact of the Covid-19 Crisis on Insurers

# Questions

1. What are the main sources of risk (e.g., mortality, interest rate, credit risk, minimum-return guarantees) and are there concerns about the sector's liquidity and solvency position?
2. How does the current Covid-19 crisis impact the insurance industry going forward, both in P&C and life markets?
3. What is the impact on the insurance sector of the monetary and fiscal policies that have been implemented around the world?
