

# **Modern Immigration Wave Brings 59 million to U.S. since 1965**

**Mark Hugo Lopez**

*Director of Global Migration and Demography*

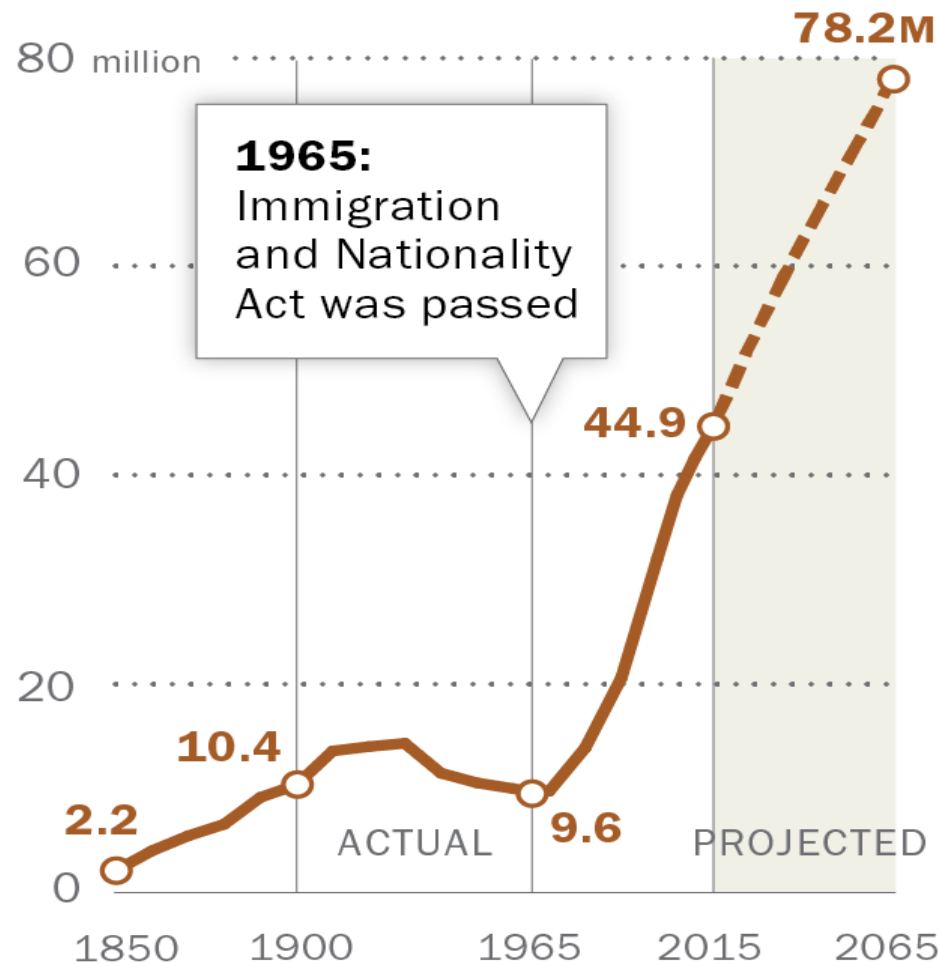

**Who we are:** A nonprofit ‘fact tank’ that informs the public about the issues, attitudes and trends shaping the world. We are nonpartisan and nonadvocacy, meaning we do not take policy positions or make recommendations.

We are a subsidiary of The Pew Charitable Trusts, our primary funder. We partner strategically with philanthropists and institutional funders who share our commitment to impartial research and data that drive discussion.

**What we do:** Generate a foundation of facts to enrich public dialogue and support sound decision-making. We conduct public opinion polling, demographic research, content analysis and data-driven social science research.

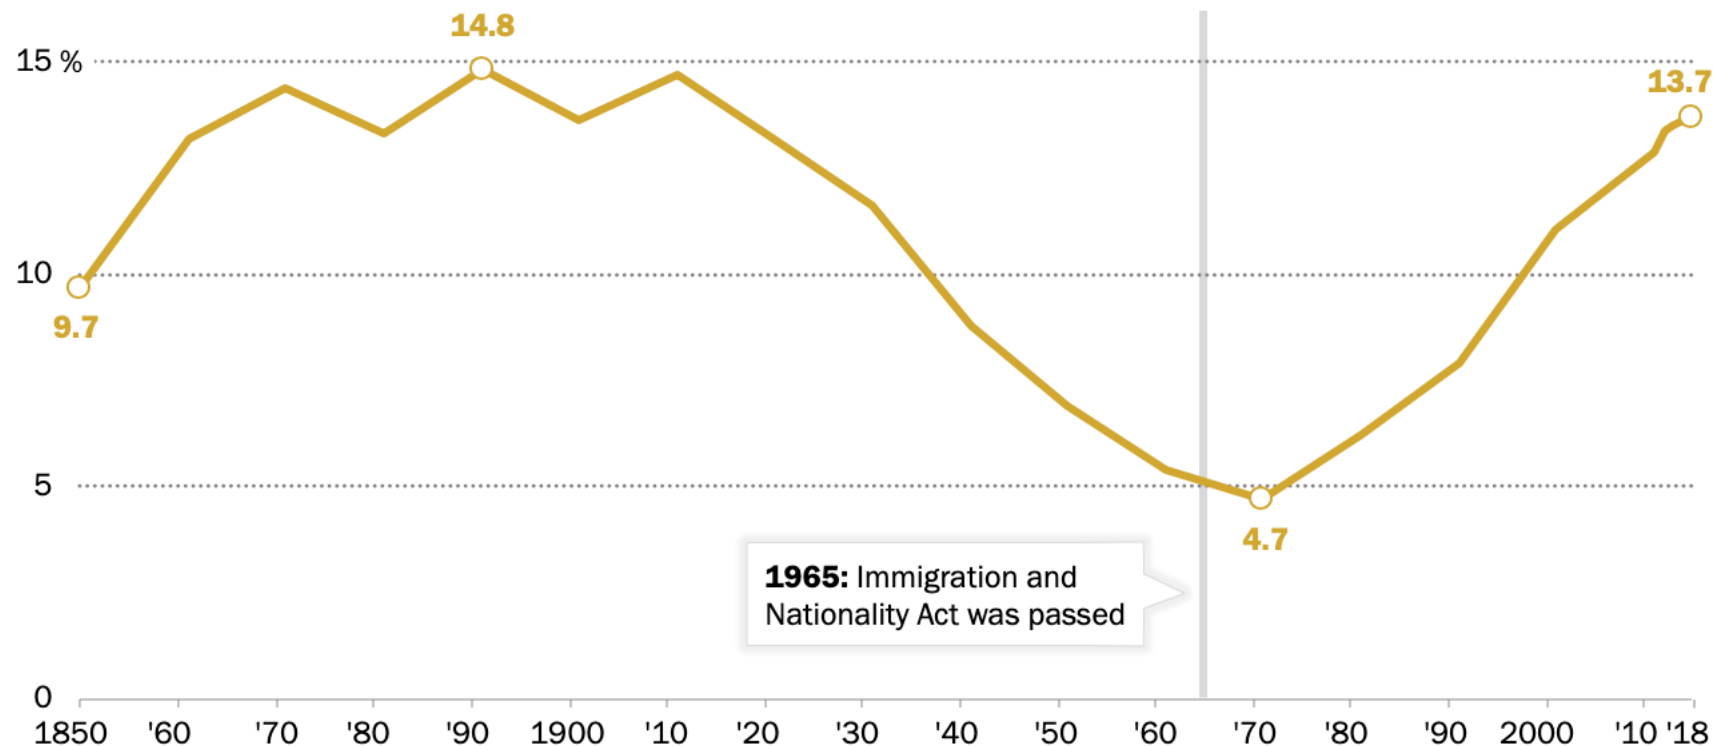

# U.S. immigrant population reached 45 million in 2015; is projected to reach 78 million by 2065
