

# Final Activity: Digitization Tutorial

Catherine Tucker

# Objectives of Final Activity

- Not Awkward
- To make you reflect rather than sell existing research

# A Story about this Privacy Conference

# The Plan

- ➊ Gather in groups of 4-5.
- ➋ Come up with a list of 3 research questions which seem nascent now but that you predict in 15 years time we will have a conference about in the field of digitization

Thank you!
